Dear Walt:

Thank you very much for the invitation extended to our club to attend your January 14th meeting. We have had Jim Fisk speak at our club last year and I'm sure many of us will be anxious to hear him next Tuesday nite.

Enclosed is a copy of our monthly bullitin wherein (3rd Paragraph) your invitation has been extended to our club members. I personally plan on coming and hope to meet you there. I'm sure there are numerous mutual benefits to both of our clubs through closer association and exchanges of ideas.

Thanks again for the invitation and best wishes for the New Year.

Very truly yours,

Dick
